About this Journal

LEXINGTON *LifeTimes* is published twice-annually by the Friends of the Lexington Council on Aging to showcase the creative talents of seniors (aged 60+) who live or work in Lexington. The publication is overseen by a volunteer editorial board which sets the criteria for submission, and selects entries for inclusion.

The Journal is primarily distributed online as a pdf file. It is formatted so it can be printed at home on standard letter-size paper (8.5" x 11"). A limited number of copies will be printed by the Friends of the Lexington Council on Aging and made available at the Lexington Community Center. The Journal will also circulate as part of Cary Memorial Library's collection.
